

**Please Note:**

These calculations are designed to provide our customers an approximate amount of square inch air space derived from a percentage of volume calculation. Please note that we are not responsible for C.F.M. flow rate as our louvers have not been HVAC tested. This is only intended and offered as a guide.

Item	Louver Type	Sq. In. Air Space
12 x 8	Chevron	32
	Flat-Slat	40
	Wide-Slat	52
	Privacy-Slat	47
	Plantation	44
12 x 12	Chevron	55
	Flat-Slat	62
